

Questions for OCCG Board Extraordinary meeting (10 August 2017) from OKONP

Q1	<p>Given the severe and continuing underfunding of health and social care and enduring workforce problems in the county, can the Board give patients and the public a guarantee that all Phase 1 proposals it is being asked to approve are:</p> <ul style="list-style-type: none">a) deliverable;b) will lead to improvements in the availability of health and social care services in Oxfordshire;c) will lead to improved health outcomes for the most deprived and vulnerable in Oxfordshire; andd) will reduce DTOC numbers to align with the lowest in England?
Q2	<p>Will the Board accept that giving the public three working days to respond to hundreds of pages of papers on which critical decisions will be made on future health care provision in the county is</p> <ul style="list-style-type: none">a) not conducive to informed public engagement; andb) fails to satisfy the test set by NHSE to demonstrate strong public engagement?
Q3	<p>Is the Board aware of the many incidents where patients have been at risk, reported at Monday's HOSC, and about which HOSC has requested anonymised reports from OUHT?</p>
